Subject: BART CBI scrubber upgrade analysis - Luminant

Wren,

I am writing to obtain EPA's scrubber upgrade analysis for the Texas BART proposal that contains CBI information for Luminant's facilities. The proposal notes that EPA "invite[s] the [affected] facilities . . . to make arrangements with us to view our complete updated cost analysis for their units." 82 Fed. Reg. 912, 928 (Jan. 4, 2017).

Please provide this document to me in electronic format at your earliest convenience. I'd be happy to send someone over to collect the disc when it is ready.

Regards,

Dan
